

Cher

26th April 2024

Her act is well known throughout the world of entertainment as one of the best soundalikes to the one and only Cher. Tania's ability to portray such an accurate tribute has gained her international notoriety.

A truly gifted and talented performer, "Tania as Cher" has studied Cher's every move through each incarnation of her show stopping career; and although she may be 32 years younger than the legendary matriarch of pop, Tania bears a striking resemblance in look, movement, gesture and vocal ability - thus enabling Tania to give her audiences not only a phenomenal performance, but what some people have labelled 'The Cher Tribute of the century!'
