## PRIVATE HIRE BAR

Hidden beneath The Royal Hotel, Legba's late bar, a decadent speakeasy bar available for private celebrations.

Reached via a private narrow stairway from the High Street to basement level, this stylish, intimate bar with a 'speakeasy' feel offers a range of absinthes, spirits, beers and wine. Surrounded by highly polished green venetian plaster work on the walls and gold on the ceiling, the sparkling natural oak bar top is adorned by a traditional absinthe fountain imported from Switzerland, historic home of this highly desirable beverage.

Legbas is available for exclusive private hire for up to a maximum 60 guests.
